THE MEYER W. WEISGAL SCIENCE SQUARE
DEDICATED TO THE MEMORY OF THE MASTER BUILDER THIRD PRESIDENT
AND FIRST CHANCELLOR OF THE WEIZMANN INSTITUTE OF SCIENCE

- We are research oriented.
Students play important role in the research.
- Strong faculty
- Our stipend allows dedicating full time to research and studies, without having to teach or work outside.
- No bureaucracy
- Joint faculty: Math + CS
- Special program for soldiers.

- Excellent facilities and support services
- Warm competitive environment
- Flexibility
- International environment
- It's good to change institutes after your 1st degree.

- First year: study (take courses), and find thesis subject + adviser

Courses can be: usual, online, reading, from another faculty, from another university

No required courses.

≥ 18 cpts in 1st year, better 20-22

- Second year + both summers: research, and complete studies. 30 cpts in total

- Applications: CV, grades, recommendation letters – important
- Interview – includes general questions, and math/CS questions
- Application is free
- Best accepted students will get Moross prize or Shamir prize upon joining the Weizmann Institute.

The Weizmann Institute of Science

(WIS) is an island of

The WIS
is a supportive
environment
to do science

The WIS

is small and
focused on
doing world-
leading
science

Annual admission in Math/CS:

~30 MSc students,
~10 PhD students

In a small institute –
you do not get “lost”

400 administrative
staff

250 professors
who head research groups

>1000 M.Sc.
and Ph.D. students

~500 MSc students, ~700 Ph.D. students,
~400 post-docs

The WIS

is international and promotes diversity as a means to enable scientific excellence – this allows you to interact with scientists from all backgrounds

At WIS, world-leading science is all around you

- Tens of international conferences on campus
- At least one international speaker every day on campus

Where can you live?

- **Rehovot** is a great place to live – very student-oriented
- **MSc dorms available on campus** (upon special circumstances)
- The institute is located near the **train station** so you can easily commute

The WIS

prides itself with being
family friendly

2 daycare centers (4months-5years)

Recreation center with children pools

Clore Garden of Science on campus

After school care until 2nd grade

Tens of lawns and activity areas

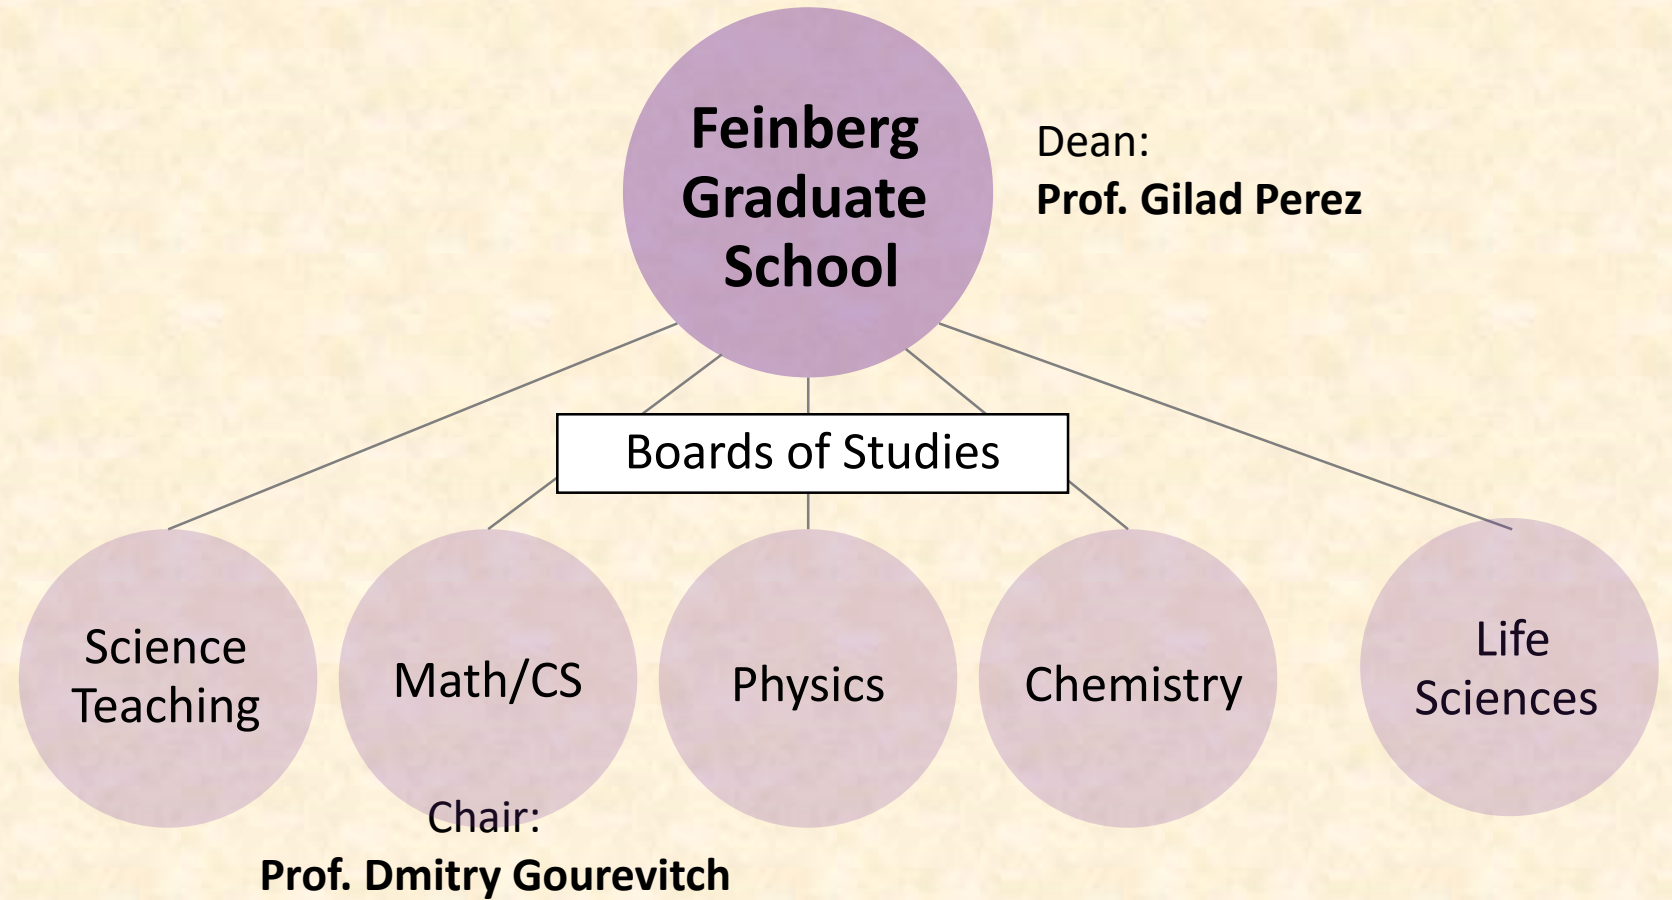

The WIS is a great place to balance work and life

- 2 gyms
- **Huge sports center** with classes, tennis courts, basketball arenas, soccer fields and swimming pools (indoors and outdoor)
- All sports activities subsidized heavily **for students**

The Feinberg Graduate School

oversees all
student
affairs on
campus

The Boards of Studies (BOS) are responsible for:

- Admissions to MSc and PhD program
- Course program
- Research progress reports
- Prizes, fellowships
- Problems

The Feinberg Graduate School is focused on your success
